Position

Senior Security Consultant

Qualifications

BA Russian

Certified Protection Professional (CPP)

Member Register of Security Engineers & Specialists (RSES)

Memberships

ASIS International

Associations

Chairman of BSIA Security Consultancies Section

Professional Experience

Barry is an experienced, multi-lingual Security Advisor for the Built Environment with considerable expertise in security surveying, threat and risk assessments and security auditing. He is one of a few advisors capable of writing coherent and comprehensive security assignment instructions, security and emergency procedures and has worked on several multi-discipline projects in both the public and private sectors. He has a wide experience of working with Critical National Infrastructure sites.

He is Vice Chairman of the BSIA Security Consultants Section and represents the company on Skills for Security and ASIS International committees.

For the past 10 years, Barry has been the programme director and chief instructor for the ASIS International Certified Protection Professional (CPP) certification - the world's most widely recognised corporate security management qualification from ASIS International, and has achieved a consistent 80%+ pass rate.
