

sheffield

innovation centre

Directions From M1

1. Leave the M1 at junction 33.
2. Follow signs for A631 dual carriageway to Sheffield City Centre.
3. Stay on A631 dual carriageway for approximately 5 miles until you approach a set of traffic lights - go straight on, moving into the right hand lane.
4. Shortly after you will reach a large roundabout (Park Square). Take the last exit (signposted Barnsley A61).
5. You will go through several sets of lights with the road bearing left and right. Carry on until you reach a small roundabout (West Bar). Take the 1st exit, signposted A57 Ring Road, Glossop.
6. After less than a quarter of a mile you will come to another small roundabout at Broad Lane. Take the 3rd exit, which is almost straight on, up hill on Broad Lane.
7. Carry on up Broad Lane to a large roundabout (Brook Hill) close to the University of Sheffield. At the roundabout take the 1st exit onto Upper Hanover Street (signposted Ring Road, Chesterfield).
8. Almost immediately, take the next left onto Leavygreave Road.
9. Continue straight on onto Portobello. After about 200 yards, as you approach a give way sign, The Innovation Centre is on your right at 217 Portobello.
